

Our Customer Focus

Our number one goal is customer satisfaction, achieving 96% rating from past clients.

Our Customers:

Insurance Industry

“The Dayhuff Group had the vision to see how to connect the disparate pieces to deliver a complete solution when other vendors could not.”

Director, IT

State Government Agency

“The Dayhuff Group actually asked us what we wanted to do and then designed a solution that met our needs.... They did not force a one size fits all solution on us!”

Director, Case Management

Construction Industry

“We now have far more control over the process and meet our customer needs far more effectively.”

VP, Marketing

Telecommunications Industry

“Our big picture was to provide better customer service and get the information out in a faster and better way.”

Executive

Company Description

The Dayhuff Group specializes in delivering fast, focused, high-quality yet cost-effective Enterprise Content Management solutions. Our range of experience, the scope of our expertise, and our delivery model makes Dayhuff Group a special breed in the technology services field. We put those attributes to work in order to guarantee our clients short-cycle project completion with real-world budgets. The result: innovative, problem solving technology services that improve efficiency, reduce costs, and increase revenues.
